

Sabal Isles at Waterford

Notice to residents:

**Please be advised, we will be doing Sealcoating roads in your community
from Tuesday, June 6 through Tuesday, June 13**

Each section will be closed for a minimum of 24 hours.

Please see attached schedule.

We apologize for any inconvenience this might cause.

Please turn off your sprinklers during this process as water will damage the fresh sealcoat. Do not park on road areas parallel to seal coating, which would block traffic. You will need to limit deliveries during this time to minimize outside vehicular traffic. Additionally, on trash collection day, you will be responsible for placing your garbage cans in a location that can be accessed by the garbage truck. This may require you to put them across the street.

Please have your vehicle moved to an area not being seal coated that day by 8:00 a.m. **Vehicles not moved by 8:00 am, will be towed at the owner's expense.**

All vehicle traffic and foot traffic must stay off newly seal coated areas for 24 hrs. When it is safe to drive on the newly seal coated section our crew will open it up.

Please do not move or drive around barricades and/or walk over freshly seal coated areas. Any damage done due to the resident driving or walking over fresh sealcoat will be the resident's responsibility. Please follow the directed traffic patterns.

If you have any questions, please contact terina@towerspropertymgmt.com

Thank you in advance for your cooperation.

Property: Sabal Isles at Waterford HOA

3 Sections
